2018 ICF CANOE POLO WORLD CHAMPIONSHIPS

Welcome to the 2018 ICF Canoe Polo World Championships

Greetings to everyone in the Canoe Polo community around the world! The 2018 ICF World Championships Host Organizing Committee (HOC) in partnership with Canoe Kayak Canada are already working on welcoming the many teams and athletes to Welland next summer, and we hope the information in this bulletin will be helpful to you for planning and confirming your participation in our event.

Welland is located in the Niagara region of Canada, one of the great tourist destinations of the world; so while we work to deliver a premier event that raises the bar for Canoe Polo as a sport, we also look forward to showcasing all the great features of our region with you to enhance your experience.

In this bulletin we focus on sharing the most important information to the participants in the event, in future editions we will expand the information provided to share more helpful details about the event including the venue, amenities, services, tourism options, and more!

Sincerely,

2018 ICF World Championships Host Organizing Committee

City of Welland – General Information

Welland, Ontario, Canada is known as “The Rose City” for its beautiful rose gardens located within the city’s parks. It is situated in the heart of the Niagara Region and is abundant with heritage, culture and community spirit.

The citizens of Welland are proud to host the World Championships and welcome newcomers to explore the wonderful opportunities the City and Region has to offer.

Welland is located in a part of Canada that offers a unique and renowned natural environment. The Niagara escarpment is a major feature of the area; a 725km long ridge that extends throughout southern Ontario. Visitors enjoy the forested areas and waterfalls of the escarpment through world-class hiking and outdoor adventuring opportunities. Another spectacular feature of the Niagara region is the Niagara Parkway, a scenic drive from Fort Erie to Niagara- on-the-Lake. In a 1943 visit, Winston Churchill referred to the Parkway as “the prettiest Sunday afternoon drive in the world.”

In addition to the abundance of parks, trails, gardens and beaches is the Region’s most famous feature, Niagara Falls – one of the Great Wonder’s of the World. The Falls are 57 meters high (180 feet) and has 168,000 cubic meters of water fall over its crest every minute. Hydro created from the redirected waterflow provides electricity to Southern Ontario and Western New York, making the falls a vital resource to both Canada and the United States. The majesty of the Falls attracts millions of visitors annually to the “Honeymoon Capital of the World.”
